

LEGENDARY BLOOM

Two new products join Guerlain's Orchidee Imperiale range. The Exceptional Complete Care Serum and Exceptional Complete Care Rich Cream use the imperial orchid molecular extract that promises to defy ageing. Fans of the range are raving about instant results. This is definitely a must-splurge!

SPORTY SPICE

Sportswear giant adidas has finally launched its range of much-anticipated personal care products here. The adidas Body Care range features three lines of products, Sports Sensation for Men and Women, Action 3 for Men and Women and Active Skincare for Men. The products are designed to provide long-lasting fragrance and protection so you can go on with your active lifestyle without worries! Available at all Guardian pharmacies.

LOVE L.U.C.I

The latest addition to Lancôme's makeup range is L.U.C.I, which stands for Luminescent. Colourless. Colour. Intelligence. It glides on effortlessly to create a wash of luminous colour on your skin. Touted to be the future in makeup, the range is available at all Lancôme counters. Prices start from RM45.

NATURAL GLOW

Don't hide your natural beauty under layers of makeup. PRIVIA's new range allows you to restore and enhance your natural beauty while allowing it to shine through. Check out its range of makeup and skincare and shower perfume at any IANTI outlet.
