**ianti** - House Of Korean Skin Care & Cosmetics  
presents you with quality yet affordable beauty products.

ianti, the Korean brand that's renowned for its skin care and cosmetics, is brandishing a chic new look! Apart from featuring house brands, ianti will feature a great variety of Korean beauty brands such as Beautiful U, Touravi, Noblesse and Privia.

All brands have one common goal - redefining beauty, naturally. For example, Privia's new innovative products have been formulated to restore and enhance your natural beauty. It accentuates your looks without heavy make-up or touch-ups. It's all about getting dolled-up without looking unnatural.

So just pick from Privia's range of products - make-up, skin care and the sensational shower perfume - and start looking and feeling great.
