

## Body duo

IT'S been often said, two are better than one. Think of strawberries and cream. Or champagne and caviar. The same goes for the Body Shop and Body Butter ranges from The Body Shop.

While each does its job perfectly on its own - the scrub gently exfoliates and the butter richly moisturises your skin - use them as a pair daily and you will be on your way to discover smoother and softer skin in no time.

The dynamic duo works in absolute harmony with each other. Use the Body Scrub or Body Polish to gently ease away dead skin cells and then slather on the Body Butter to provide your skin with up to 24 hours of non-stop moisturisation, giving you all day (and night) hydration and protection.

With nine luscious fruit and nut flavours to choose from, you are simply spoilt for choice.

body especially prone to cellulite build-up: thighs, buttocks, hips and stomach.

Results are fast and effortless. In only four weeks, orange-peel skin is visibly reduced. For smoother, firmer, more toned skin.

## Beauty redefined

PRIVIA believes that every woman is unique and beautiful in her own way. However, many women do not realise their natural beauty potential.

Therefore, Privia has formulated its range of innovative products to restore and enhance one's

natural beauty without changing the way one looks. Privia's new range of products include make-up, skincare and shower perfume.
